# PRESIDENT'S MESSAGE

Jim Miller

Another grueling tax season behind us, Norma and I are somewhere in Portugal as you read this. We are on an almost six-week vacation to Europe which includes a 17-day motorcycle tour through Southern France into Tuscany. You can bet you will be seeing some of our adventures by way of "Where's Pando" in upcoming issues.

Mark your calendars for this years Concours to be held June 22 at Sea Terrace Park in Dana Point. Book early as reservations have already begun in earnest, and it will definitely sell out. Stay tuned for a Judge's School and a Concours Prep Session.

Many thanks to our Tech Advisor, Paul Shaffer, who was our April speaker. May you never experience one of those multitude of check engine lights!

Norma and I will miss you at the May and June Breakfast Meetings, but we will be thinking about our Porsche family while we are gone. Until we meet again in July, let's continue to make PCA-OCR a special part of our Porsche Experience. Let's share this experience with fellow Porsche enthusiasts. Bring a friend to the next Breakfast Meeting.

Participate, volunteer and enjoy the ride!

Jim Miller  
PCA-OCR President

## Savor the Moment.

**T**echnology can be very helpful, but it can take away special moments.

For me a moment to savor has become a short ritual...taking my Porsche key (and fob), inserting it into the ignition switch, twisting, and getting gentle thunder. Blip. Ah, she's ready to go.

For me it is starting the car, maybe for you, it is putting it into gear, release the clutch pedal and move forward. What magic. Whatever your moment is, savor it.

*Be kind, be generous, be well.*

Story and Photos  
by Margo and  
Marissa Burnett

## Margo Burnett

I have dreamed of owning a Porsche since I was eighteen years old. Every time I'd see a Porsche, I would say to myself, that's my car and one of these days I'm going to get one.

I wasn't really in the market to make a big purchase, but the opportunity came my way. My girlfriends and I kayak on Lake Mission Viejo every week and then go for coffee at Bagels & Brew. For months, I've admired a silver Porsche parked in the parking lot but could never figure out who owned it. One day, I noticed a gentleman who I thought might be the owner.

I approached him and asked if that was his silver Porsche. He seemed surprised and I said I had been noticing his car. I asked, "Are you interested in selling?" I didn't know what year, model, or make, but I was curious to know more.

He said, "As a matter of fact I have a Tesla on order, and I'll eventually be selling the Porsche".

I gave him my email and said, "Let me know, I'm in no rush."

I was shocked when I received an email two weeks later saying he was selling the car, a 2014 Porsche Cayman S.

To make an informed (but spontaneous) decision, I took my mechanic to inspect the car. As my mechanic was checking out the car, I chatted with the owner. Turns out, he knows my sister as they both worked at UCI, a small world.

My mechanic said the car was in excellent condition, so I made an offer, and it was the best decision I've ever made. When I came home, I told my husband I just bought a Porsche. He gave me the same surprised look as the Porsche owner.

I drive my Porsche to the gym and to visit friends. My daughter, Marissa, also loves to take the car for a drive occasionally. She's the only person that I will let drive it. I just love looking at her in the garage and still can't believe she's mine. I still see the previous owner and he gets to see his car and he knows that it is in good hands.

It's been fun being a part of PCA-OCR and meeting other Porsche enthusiasts. My daughter and I have gone to the monthly breakfast, holiday party, Saturday rallies, San Clemente Cars & Coffee, and other weekly gatherings. I look forward to more events and the continuous joy of finally being a Porsche owner.

I love my Porsche, better late than never!

## Michelle Rosenthal

### Porsche Moms

Letter and photos  
from the Rosenthals.

Dear OCR,

*Michelle Rosenthal and her passion for Porsche has been instilled in her since day one. Her parents, avid car enthusiasts, and collectors sent her birth announcement featuring her as a little Porsche announcing, "The New Model." From a young age, Michelle's father ensured she knew how to wash her car and drive a stick shift two years before getting her license. When it came time for her to start driving, her father generously offered his red Targa Porsche with flared fenders and a whale tale. It came with some rules, though. The car must come home to the garage at night and was not to be driven by any boys. From there on out, Michelle was a Porsche fanatic.*

*She and her husband, Eric, are both performance-driving enthusiasts and autocross fans, have a need for speed, and were fortunate to purchase a Carrera Cab early on in their marriage.*

*Things never stay stock long in our family. Eric's friend founded VF Engineering and "forced him" to install their Carrera Supercharger kit shortly after the purchase, and we were off to the races. Upon the arrival of their daughter, Jaydin, Michelle insisted they find a proper car seat and keep this as the Sunday-Funday family ride. Jaydin zoomed around almost every weekend and giggled with laughter, literally telling Eric, "Faster, Daddy, Faster." Skip ahead several years, and Eric added his dream Porsche to our household, a Turbo S Cab, which is also silver and went to the "shop" a week into our ownership, where Eric was allegedly forced to upgrade the turbos, intercoolers, and everything else offered by his friends at GMG. We need no excuses to get out and drive any time of the day, anywhere, for any reason. We love driving as much as the adventure and experience, whether cruising down the coast, through the Vineyards in Paso, or simply around town.*

*We're counting down the days until Jaydin can legally drive and enjoy our adventures from the driver's seat. Grandpa still has my Targa, which now has over 1,000,000 miles, and switches off between his Turbo S. Jaydin will indeed have a few options for her DMV test when the time comes :)*

*Life is a short ride. The Rosenthal's enjoy the high-speed straights and embrace the often-sharp turns.*

*Michelle, Jaydin and Eric Rosenthal*

# DRY ICE CLEANING

## RESTORATION AND PRESERVATION SOLUTIONS

Dry Ice Cleaning is a gentle form of blasting that employs a combination of air and dry ice pellets. It achieves remarkable results by cooling the surface to an extremely low temperature of -109 degrees, thereby loosening contaminants. With the added force of kinetic energy, it effectively eliminates all forms of dirt and grime without causing any harm to the original surface coating.

52nd White Glove Concours  
and All-Porsche Car Show**

# PCA-Orange Coast Region 52nd White Glove Concours

**June 22, 2024.  
Sea Terrace Park, Dana Point.**

Concours events are great for getting your Porsche in order, visiting with friends, and enjoying a nice day. We have gathered advice from Orange County's top detailers on preparing your car.

## Concours Countdown.

A checklist to consider in preparation for the 2024 Orange Coast Region 52nd White Glove Concours. These are just a few considerations among many.\*

### Four weeks before Show - May 25

- Make a plan, reference old judging sheets.
- Consult Zone 8 Concours guide.
- Go through the car to make sure everything works; electrical, mechanical. No leaks, no missing parts (tool kit, jack parts). Paper documentation.
- Organize detailing supplies; plenty of micro-fiber towels (wash new towels to reduce lint). Color-code towels to tasks: exterior, interior, windows. The point is to avoid contamination.

### Three weeks before Show - June 1

- Fix dents, dings, paint touch-up
- With wheels off the car, clean wheel wells. Clean wheels/tires front and back
- Check interior. Clean out stuff around and under seats, glove box. Begin with the center console and work outward.
- For heavy cleaning, shampoo carpets to allow time to dry.

### Two weeks before Show - June 8

- Start with heavy cleaning on dirtiest areas, engine, suspension etc.
- Install and torque wheels.

### One Week before the Show - June 15

- Wash car, start to detail, clay bar the car, wax the car.
- Clean door, hood, engine compartment jams
- Give a careful walk-around.

### Day before the Show - June 21

- Go through car inside and out for lint, water spots, dust. Final dusting with baster brush.
- Touch up rubber trim. Soak towel in rubber dressing for better control.
- Final wax.
- Use "clean stick" to remove wax from taillight lens lettering.
- Prep travel kit

### Day of the Show - June 22

- Use a door mat rug by each door to prevent dirt and grass getting into the interior during prepping.
- Perform touch-up with spray wax/detailer on a walk-around.
- Use lint roller or duct tape on convertible tops and carpet to remove surface stuff.
- Make room for trophy

\* These are suggestions made in good faith, we are not responsible to damage or harm in any way to your car.

## First Impressions Count

Judges have only 5 minutes for each car, first impressions count.

- Paint reflects brilliance
- Chrome sparkles
- Wheels/tires are clean
- Windows are streakless
- Door jams are clean

## In Your Travel Bag Day of Show

- Baster brush for final dusting
- Window cleaner/window towels
- Dozen of new micro-fiber towels (pre-wash)
- Synthetic spray wax/Instant detailer
- Brush for grass
- Mini leaf blower/hand vacuum
- The latest PANDO.

Sue and Tom Calvert

# Poker Rally Fun Run.

Story by Glenn Billings, Photos by Jim Storms

Historically, you'll find the last name of Calvertis derived from English and Scottish heritage, but on this gorgeous morning before Saint Patrick's Day, every PCA-OCR member was Irish. Out of the 40 participants who drove around Irvine, Tustin, Newport Beach, Costa Mesa and Santa Ana, Tom and Sue Calvert ended up choosing the best organic hand, with three eights.

All 20 Porsches entered, were issued their first card of the five-card stud game, at the Elks Lodge in Santa Ana, where Rally Meister Larry Moore 'green-flagged' the start with one-minute intervals between each Porsche launch.

Monica and Denny Asbury dealt the initial card, while the drivers and navigators had four more checkpoints to negotiate. The the second card was given at the Marconi Museum, located off Industrial Drive.

Following the route instructions, members could see the remains of the enormous blimp hangar that was consumed by a mysterious fire months ago.

The second checkpoint was behind the Harbor Justice Center on Teller in Newport Beach where Monica, Denny and Larry 'dealt' the third card which was selected blindly by the driver or navigator.

Then it was off to a nice meandering excursion through Turtle Rock in Irvine around parts of the UCI campus. After about 45 minutes, the route looped right back to Teller again where the third checkpoint served as the 4th checkpoint and card selection.

From there, it was onto Coast Highway around Old Newport paralleling the Hoag Hospital complex and heading north through Old Costa Mesa Industrial areas with a left on 16th street.

Driving down to the cul de sac you received your fifth and final card with almost everyone pleased, but groaning because they couldn't fill out that straight or flush.

But, luck of the Irish was with the Calverts and their Petrol Blue 1980 Porsche 924 Turbo and "Erin go Braugh" (Ireland forever) to all the participants. No cloverleaf. However, for this author, his odometer reading reached 77777 miles during the poker rally! Good enough for Vegas slots, but no luck here.

## There are Those Who Go, Those Who Stay.

Story and Photos by Rob Alen

**P**orsche's reputation is from motor racing success. Early on in the hills of Sicily, Porsche's won the Targa Florio, naming a model after it.

In Mexico success at the La Carrera Panamericana prompted the Carrera trim level.

Endurance racing at Le Mans, Sebring, and Daytona cemented Porsche into motor racing history books.

An important, but short chapter, are wins in the Paris-Dakar Rally raid in the 1980s.

In 1977 Frenchman Thierry Sabine imagined a challenge beginning in Europe, going through North Africa to Dakar, in French-speaking Senegal.

In 1983 Jacky Ickx and Claude Brasseur won it in a Mercedes G-class. Ickx, of Formula One and Le Mans fame, had run it before. Claude Brasseur was a noted French actor who had won Cesar's, the French equivalent of the Oscar. He had been a bob-sled racer.

Jacky Ickx

Ickx was inspired to go to Porsche to sponsor an entry into the Dakar. Porsche approved but told Ickx he had to organize it. Dave Richards of Prodrive in the UK prepared three 911SCs, to be classified as 953s. It is this model the current Porsche tribute to the Dakar represents. Tobacco brand Rothmans came on board as a sponsor. In 1982 Ickx had won Le Mans in a Rothmans-sponsored Porsche 956.

O

n January 1, 1984 the 6th Paris-Dakar started from Place de la Concorde in the center of Paris, to finish January 20th in Dakar. 12,000 kilometers. Countries crossed included Algeria, Ivory Coast, Sierra Leone to Senegal.

The Rothmans's Porsche 911 SC/RS 4x4, number 176, finished first, driven by Rene Metge and co-pilot Dominique Lemoyne; Ickx and Brasseur finished sixth; the third car 26th. Metge recently passed away in January 2024 at the age of 83.

The car had an all-wheel drive system, double-wishbone front suspension with twin shocks, modified rear suspension, increased wheel travel, polycarbonate doors, roof, front bumper and two-fuel tanks.

1986 sent ripples through motorsports with victory in a modified 959, Porsche's technological science experiment prescient to Porsche's future. Metge and Lemoyne won again, Ickx and Brasseur finished second.

The Dakar continues today with evening TV reports each day, but politics and territorial conflicts have moved the event to other continents, to be just: The Dakar.

PANDO honors and remembers Thierry Sabine's motto: "A challenge for those who go. A dream for those who stay behind" with, like the '84 team, an Orange Coast Region owned-example of the latest Porsche 911 Dakar on the 40th anniversary of the first Dakar win.

# Kickin' Up the Dust In the Desert.

**K**ing of the Hammers (<https://kingofthehammers.com/2024/>) is an assault on hostile territory by an army of crawlers, 4-wheelers, and in 2024, a Porsche. OCR's own **Pram Oen** took his 911 Dakar over Soggy Lake in Johnson Valley to win a competition against dedicated desert dogs. PANDO presents a photo showcase by Royce Rumsey.

Editor's Note: Royce Rumsey is a renowned automotive photographer and author; he works internationally with major automotive companies.
